**MILAN FOODS**

ذائقہ کا معیار ... خالص مصالحہ جات

**Milan Foods** started its journey as an exclusive spice company in **2007**. With the years of determination and top quality product development, we become Pakistan's one of the initial **FDA Approved** food producing companies with most authentic traditional and exoite taste. We are the ultimate solution for all of your desi food cravings.

We have been offering our products of entrancing and most aromatic Asian taste including wide range of spices, Food Product and recipe mixes. After the decades of cleaning, blinding and grinding of our own grown and produced exotic spices, we made our space internationally. Our achievements of working for 40+ years as a family business of tea and milk powder and after investing 10+ years in producing spices locally in our hometown, now Milan Foods has reached to its ultimate goal of exporting its spices and food globally. With the inclusion of exotic recipes.

We cater our customers' food longings with our most hygienic, super tasty, and exclusive food products. With our mission of expanding our culinary and food business as one of the only authentic and high quality food producers, we are still standing firm on our grounds. Milan Foods foster its customers with 100% satisfaction when it comes to the quality, quantity, and rates of our products.

Here at Milan Foods we work as a team in manufacturing, producing, packing, and delivering our spices, and food products. We bring the ultimate balance and perfect blend of spices to your tables to make your everyday food experience phenomenal.

Milan Foods has committed to using solar energy for 90% of its production processes. This commitment was intended to reduce the environmental impact of Society.
